

NEW LOCAL ROAD AGENCY GUIDANCE

Michigan Transportation Fund Sources – Not so simple anymore

County road agencies are accustomed to saying **Michigan Transportation Fund (MTF)** dollars are about 50:50 vehicle registration fees and fuel tax. But the times have changed!

The 2024 MTF gross revenue breakdown is 40% fuel tax + 40% vehicle registration fees + 16% redirected income tax + 3% marijuana tax + 1% misc./interest earnings.
